

## TENNESSEE RESIDENTIAL PROPERTY CONDITION DISCLAIMER STATEMENT

1 Property Address: 250 Briar Point Road, Allardt, TN 38504

2 Seller: DAVID SARTIN and MARTHA LARINA SARTIN

3 The Tennessee Residential Property Disclosure Act (Tenn. Code Ann. § 66-5-201, et seq.) requires sellers of residential real  
4 property with one to four dwelling units to furnish to a buyer one of the following: (1) a residential property disclosure statement  
5 (the “Disclosure”), or (2) a residential property disclaimer statement (permitted only where the buyer waives the required  
6 Disclosure). Some property transfers may be exempt from this requirement (See Tenn. Code Ann. § 66-5-209). The following  
7 is a summary of the buyers’ and sellers’ rights and obligations under the Act. A complete copy of the Act may be found at:  
8 <http://www.lexisnexis.com/hottopics/tncode/>. (See Tenn. Code Ann. § 66-5-201, et seq.)

- 9 1. Sellers must disclose all known material defects and must answer the questions on the Disclosure form in good faith to the  
10 best of the seller’s knowledge as of the Disclosure date.
- 11 2. Sellers must give the buyers the Disclosure form before the acceptance of a purchase contract.
- 12 3. Sellers must inform the buyers, at or before closing, of any inaccuracies or material changes in the condition that have  
13 occurred since the time of the initial Disclosure, or certify that there are no changes.
- 14 4. Sellers may give the buyers a report or opinion prepared by a professional inspector or other expert(s), or certain  
15 information provided by a public agency, in lieu of responding to some or all of the questions on the form (See Tenn. Code  
16 Ann. § 66-5-204).
- 17 5. Sellers are not required to have a home inspection or other investigation in order to complete the Disclosure form.
- 18 6. Sellers are not required to repair any items listed on the Disclosure form or on any past or future inspection report unless  
19 agreed to in the purchase contract.
- 20 7. Sellers involved in the first sale of a dwelling must disclose the amount of any impact fees or adequate facility taxes paid.
- 21 8. Sellers are not required to disclose if any occupant was HIV–positive, or had any other disease not likely to be transmitted  
22 by occupying a home, or whether the home had been the site of a homicide, suicide or felony, or act or occurrence which  
23 had no effect on the physical structure of the property.
- 24 9. Sellers may provide an “as is”, “no representations or warranties” disclaimer statement in lieu of the Disclosure form only  
25 if the buyer waives the right to the required disclosure, otherwise the sellers must provide the completed Disclosure form  
26 (See Tenn. Code Ann. § 66-5-202).
- 27 10. Sellers may be exempt from having to complete the Disclosure form in certain limited circumstances (e.g. public auctions,  
28 court orders, some foreclosures and bankruptcies, new construction with written warranty, or owner has not resided on the  
29 property at any time within the prior three (3) years). (See Tenn. Code Ann. § 66-5-209).
- 30 11. Buyers are advised to include home, wood infestation, well, water sources, septic system, lead-based paint, radon, mold,  
31 and other appropriate inspection contingencies in the contract, as the Disclosure form is not a warranty of any kind by the  
32 seller, and is not a substitute for any warranties or inspections the buyer may desire to purchase.
- 33 12. Any repair of disclosed defects must be negotiated and addressed in the Purchase and Sale Agreement; otherwise, seller is  
34 not required to repair any such items.
- 35 13. Buyers may, but do not have to, waive their right to receive the Disclosure form from the sellers if the sellers provide a  
36 disclaimer statement with no representations or warranties (See Tenn. Code Ann. § 66-5-202).
- 37 14. Remedies for misrepresentations or nondisclosure in a Property Condition Disclosure statement may be available to buyer  
38 and are set out fully in Tenn. Code Ann. § 66-5-208. Buyer should consult with an attorney regarding any such matters.
- 39 15. Representations in the Disclosure form are those of the sellers only, and not of any real estate licensee, although licensees  
40 are required to disclose to all parties adverse facts of which the licensee has actual knowledge or notice.
- 41 16. Pursuant to Tenn. Code Ann. § 47-18-104(b), sellers of newly constructed residences on a septic system are prohibited  
42 from knowingly advertising or marketing a home as having more bedrooms than are permitted by the subsurface sewage  
43 disposal system permit.

44 17. Sellers must disclose the presence of any known exterior injection well, the presence of any known sinkhole(s), the results  
45 of any known percolation test or soil absorption rate performed on the property that is determined or accepted by the  
46 Department of Environment and Conservation, and whether the property is located within a Planned Unit Development as  
47 defined by Tenn. Code Ann. § 66-5-213 and, if requested, provide buyers with a copy of the development's restrictive  
48 covenants, homeowner bylaws and master deed. Sellers must also disclose if they have knowledge that the residence has  
49 ever been moved from an existing foundation to another foundation.

50 The Buyers and Sellers involved in the current or prospective real estate transaction for the property listed above acknowledge  
51 that they were informed of their rights and obligations regarding Residential Property Disclosures, and that this information  
52 was provided by the real estate licensee(s) prior to the completion or reviewing of a Tennessee Residential Property Condition  
53 Disclosure, Tennessee Residential Property Condition Disclaimer Statement or a Tennessee Residential Property Condition  
54 Exemption Notification. Buyers and Sellers also acknowledge that they were advised to seek the advice of an attorney on any  
55 legal questions they may have regarding this information or prior to taking any legal actions.

56 The Tennessee Residential Property Disclosure Act states that anyone transferring title to residential real property must provide  
57 information about the condition of the property. This completed form constitutes that disclosure by the Seller. The information  
58 contained in the disclosure is the representation of the owner and not the representation of the real estate licensee or sales  
59 person, if any. This is not a warranty or a substitute for any professional inspections or warranties that the purchasers may  
60 wish to obtain.

61 Pursuant to Tenn. Code Ann. § 66-5-212, Sellers are required to disclose, in writing, the presence of any known exterior  
62 injection well on the Property, whether the Sellers have knowledge that any single family residence on the Property has ever  
63 been moved from an existing foundation to another foundation, and whether the Sellers have knowledge of any percolation  
64 tests or soil absorption rates performed on the Property that are determined or accepted by the Tennessee Department of  
65 Environment and Conservation and the results of said tests and/or rates, and the presence of any known sinkholes. Sellers,  
66 pursuant to Tenn. Code Ann. § 66-5-213, are also required to disclose in writing if the Property is located in a Planned Unit  
67 Development and upon request, provide buyers with a copy of the development's restrictive covenants, homeowner bylaws  
68 and master deed.
