

This 4 house poultry broiler farm is in great shape. The farm has four 4 x500' solid wall broiler houses built in 2010. It is located in Carthage, MS on 43 acres in a nice area to have a family farm. The farm has a contract with a major poultry company and is growing a 7 lb chicken. The farm comes with a nice tractor and implements to run the farm. The farm is a Class "A" and is equipped with Rotem controllers, Ziggy Twin Lock drinkers, Big Dutchmen Feed system, cool cells, and Acme fans. All the equipment is in great shape and will need very few upgrades if any. This farm has a great history of being a high-income-producing farm. The farm comes with a litter/dry stack compost shed and a tractor equipment shed. Please call for additional information
