

Traditional brick home for sale in McComb, MS with whole house generator. This thoughtfully remodeled 4 bedroom home with a beautiful setting, pool and hot tub, and small pool house sits high on a slope, overlooking the sleepy neighborhood street where people walk their dogs, ride bikes and stroll through the park like surroundings of one of the prettiest communities in this city. New kitchen with custom cabinets, granite and stainless, beautiful hand scraped looking wood floors throughout the main living areas, oversized laundry, comfortable layout, and clever architectural retrofitting to the slope puts the home on a slab, with the front porch raised to match. Classic design and updated style, along with 9' ceilings, banks of full-length windows and doors leading to your private backyard sanctuary! Come home to lovely! 1.5 hours to NOLA and easy access to I-55.
