Welcome to your dream home in the desirable Hillcrest subdivision! As you approach this beautiful home, you are greeted by a stunning curb appeal that sets the tone for the rest of the property. The yard is immaculately landscaped, with lush green grass; the brick flower beds add a touch of elegance and contrast nicely with the slate front steps that lead to the inviting entrance. This home is a true gem that will impress you from the outside in. This stunning 4-bedroom, 3-bathroom home boasts 2,900 sq ft of spacious and elegant living. The living room features a beautiful 6-pane bow window that fills the space with natural light and warmth. The kitchen is a chef's delight, with custom-made maple cabinets, an island with quartz countertops, and sleek pendant glass lighting.

View the dining room's breathtaking views, looking out the glass sliding doors. Step out to the spacious deck, where you can admire the stunning landscaped backyard with a drip system, underground sprinklers, two storage sheds, and a large garden area. A large lower deck is also available from the upper deck.

The backyard is also fully enclosed with new vinyl fencing for privacy and comfort. A low-maintenance exterior is another excellent feature of the house due to the new roof, aluminum siding, Trex decking, and Vinyl fencing. The main level of the home has three bedrooms, one of which is the master suite, having direct access to your private bathroom. Indulge in luxury and comfort in another exquisite bathroom on the main level, with porcelain floors, a dual travertine sink, and a marble-encased jacuzzi tub.

The lower level of this home provides a relaxing and inviting living area featuring a natural rock gas fireplace that creates a cozy and elegant atmosphere. On this lower level is your laundry room, another large bedroom, and a bathroom with ample storage for your linens. You also have direct access to the single-car garage for your convenience.

The owner owns two adjacent lots and will let the buyer have the first chance to purchase for an additional cost.
