The Granite County Commissioners attempted to reduce local property taxes by levying the 77.9 mills the Department of Revenue calculated as necessary to satisfy the State School Equalization Levy statutory requirement. Governor Gianforte challenged the property tax reduction and the Supreme Court sided with the Governor. We are now required to levy the maximum 95 mills instead of the 77.9 mills calculated by the Department of Revenue. The additional 17.1 mills will be billed on the second half tax payment. This represents an additional 17.1 mills distributed as follows:					STATE LEVY - UNIVER	0.80 %	\$0.50 6.000
7.1 mills for State Equalization Aid					COUNTYWIDE EDUCATIO	2.94 %	\$1.84 22.080
6.0 mills for County Elementary Equalization					Total School	36.19 %	\$22.59 236.360
4.0 mills for High School Equalization					County

Please remember that the Granite County Treasurer's Office, Granite County and the local Department of Revenue employees did not play a role in this decision and the work they do is centered on complying with laws passed by the State of Montana.					* GENERAL FUND	6.87 %	\$4.29 51.390
