

Here is the quote from Jack Lulloff at Alliant Energy. No easement is needed from the neighbor to run the electric line, we'd just need approval to cross the bike path from the county which they're waiting on.

Electric Primary Construction Total - \$8,684.49

- ELE UG Primary 1ph XFMR Install - Riser & Pad (RFND) - \$3,229.74
- ELE UG Primary 1ph - #1 (RFND) - \$3.64 x 525ft - \$1,911.00
- EXCAVATION - Trench (RFND) - \$6.75 x 525ft - \$3,543.75

Gas Service Construction Total - \$6,650.00

- Gas Service - <=1" (N-RFND) - \$1.10 x 500ft - \$550.00
- Gas Service - <=1" INSTALL METHOD (N-RFND) - \$12.20 x 500ft - \$6,100.00
